Professional Summary

Customer Success and Operations professional with 5+ years of experience supporting global clients across multilingual environments, including French-speaking markets. Proven ability to manage complex customer interactions, resolve platform issues, and drive service improvements in high-volume technology ecosystems. Skilled in stakeholder communication, operational analytics, and delivering seamless customer experiences across language barriers. Adept at collaborating with cross-functional teams to enhance customer satisfaction, retention, and platform adoption. Experience supporting French-speaking customers across global platforms and AI language systems.

Work Experience

Customer Service Manager, Entain Group. **May 2023– Jan 2026**

- Directed high-volume customer operations across international markets, ensuring SLA adherence and regulatory compliance.
- Managed complex escalations involving **French and English customers**, coordinating with compliance, payments, and operations teams.
- Delivered clear, culturally appropriate communication to resolve sensitive customer issues and maintain trust.
- Analysed service performance metrics and identified process gaps impacting multilingual customer experience.
- Implemented process improvements that reduced dispute resolution turnaround time by 9%.
- Enhanced retention by proactively addressing recurring issues affecting international users.

Selling Partner Support (French), Amazon **April 2019 – Aug 2022**

- Provided end-to-end support to **French-speaking sellers** on Amazon's global marketplace, ensuring SLA-driven resolution.
- Acted as a primary point of contact for **French language support**, handling complex account and operational queries.
- Conducted account reviews and advised sellers on platform optimization and performance improvements.
- Led cross-functional escalations across technical, compliance, and payments teams.
- Improved first-contact resolution by 20% through knowledge base contributions tailored for French workflows.
- Built strong seller relationships through consistent, high-quality multilingual communication.

AI Trainer (French), ESC Inc **Jun 2018 – Mar 2019**

- Trained AI language models by reviewing, annotating, and refining **French-language outputs** to improve linguistic accuracy, tone, and contextual relevance.
- Evaluated and corrected AI-generated responses in French, ensuring alignment with native-level grammar, cultural nuances, and real-world communication standards.
- Contributed to improving model performance by identifying recurring language errors and providing structured feedback for optimisation of French conversational quality.
